DECEMBER. 2019 SEMESTER ONE

AL-HODA INTERNATIONAL SCHOOL

The Official Newsletter of Al-Hoda International School

إحتفال المولد النبوى الشريف

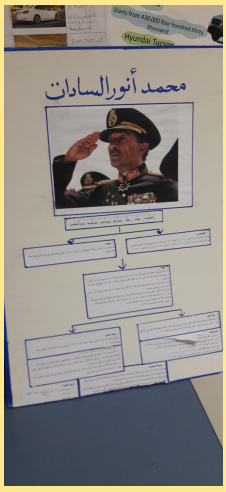
شهدت المدرسة اجواءاً ربانية و إحتفالا نورانيا بمولد خير البرية محمد صلي الله عليه و سلم، قام فيه الطلبة بالعديد من العروض الجميلة و المعبرة عن السيرة النبوية و التى ابهجت الحاضرين و زادت من القرب للمحبوب عليه الصلاة و السلام

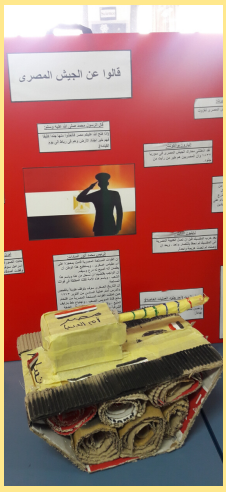
إحتفالات إنتصار السادس من أكتوبر

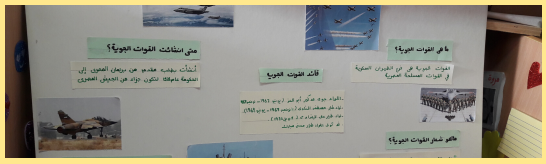
نحتفل مصر كل عام بذكري عظيمة وهي ذكري حرب اكتوبر المجيدة ، حيث حققت مصر في هذا التاريخ نصرا يعد علامة مضيئة في تاريخنا الحافل بالمحطات والانجازات الكبيرة .

وتحرص مدارس الهدى دائما أن ان يهتم ابناءنا بالبحث والمشاركة في فعاليات الاحتفال بهذه المناسبة القومية العظيمة بصورة مميزة وتفاعلية لتنمية روح الولاء والانتماء لوطننا الحبيب مصر.

و فى اطار احتفال الدولة بنصر 6 اكتوبر العظيم حرصت مدارس الهدى الدولية على الاحتفال بهذه المناسبة العظيمة و ذلك من خلال تنظيم رحلة للطلبة إلى متحف القوات الجوية و عمل الطلبة أنشطة خاصة بهذة المناسبة طوال شهر اكتوبر و عرض فيلم الممر للطلبة مما كان له الأثر الطيب و تنمية الروح الوطنية لديهم.



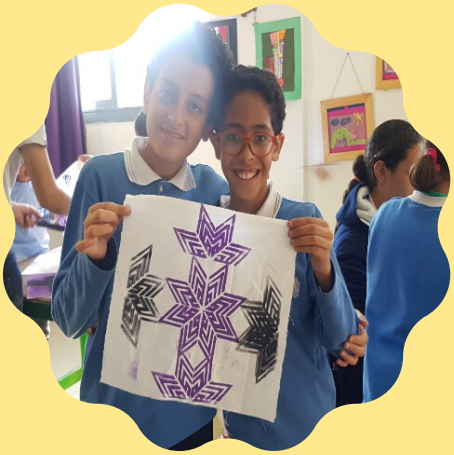




Science Department

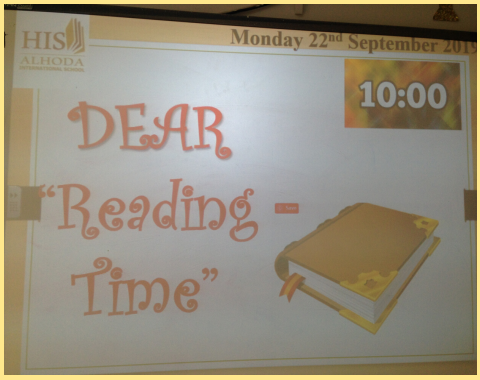
Our science department seeks to provide students with the scientific knowledge and critical thinking skills necessary to prepare them for their educational and career goals. This was fulfilled through:Practical lab work, hands on activities, project based learning, game based learning and the use of ICT. For example: Near-pod, Flip-grid, Online quizzes, Kahoot, QR codes and Quizzes.

Math Department



Our lovely students in year 5 have applied the different translation techniques they have been taught in the Math class to print Islamic and Arabic artistic designs in the art class. They have used the rotation, reflection and translation techniques in order to decorate a small piece of white cloth and join them all in a big quilt.

Math classes are fun. It is a mixture of Math's' concepts integrated with technology and formative assessment activities. Plickers is a new technological application which was played with in Math classes of year 4 and year 6. The students are raising up their Plicker's card with the correct choice and the teacher scans their answers and project all answers with the names of the students on the class's smart board.



English Department

One of our proven goals is to pay attention to reading, as we believe that improving society and building generations comes through the caring of minds' nourishing which is reading.

As usual, the school reading campaign was very special, as the students carried out many reading activities and was successfully concluded with the dress up activity the learners introduced their favorite characters through DIY costumes, They looked amazingly vibrant.

On the sideline of the campaign , the students conducted a chapter book speaking competition which was excitedly interesting as the students were eager to organize and participate.

Computer Department

Grade 7 have done exceptionally well on their programming with SmallBasic assessment this term.

G4 students have joined the ICT CLUB. With their names in the superheroes wall board; they are excited to enjoy more rewards.
